What does @Ripple have to do with $XRP???
I can send $XRP across the world P2P in 4 seconds instead of using
SEC's Swift which take 6 days and a success rate of 4%
 Whatever Ripple does is their business.
Also people can use it on Travala, just like Bitcoin & as a store of value

1/ Are you familiar with Good Souls Group (@GoodXrp) @JohnEDeaton1?
A group of us from #xrpcommunity gathered donations through @WietseWind fantastic XRP tipbot over a few years. @nixerFFM created a splitter that split the donations between several different charities.
